To Whom It May Concern:

Alabama Teen Challenge is part of one of the oldest, largest, and most successful Christ-centered, residential recovery programs in the world for individuals of all ages.

Gospel Biz has been more than a business interaction for the last 5 years. Gospel Biz has been a ministry partner. Because of their personal philosophy of ministry, we have been able to provide timely, professional, and impactful promotional materials to the stakeholders and individuals that we serve. Additionally, our employees and volunteers are proud to present Gospelbiz's quality printed materials to individuals within their evangelistic sphere of influence.

We are grateful for our Gospelbiz sponsors who year-in-and-year-out allowed us do more with less and supported the vision of Teen Challenge. In short, Gospelbiz doesn't make an impression; Gospelbiz helps us make an impact in real people's lives struggling with real world life-controlling problems through the many services they provide.

Sincerely,

Brandon Lackey
