To whom it may concern,

Gospel Biz has been a pleasure to work with and has been a major part of changing lives through the ministry of Teen Challenge. The monies that have been saved through sponsorship funds have been used to keep another student in the program.

Teen Challenge is a faith-based restoration program designed to bring discipline and order into the lives of people who have life-controlling problems such as drugs, alcohol and crime. We have been helping people for the past 54 years become productive, successful citizens.

We truly appreciate Gospel Biz and the sponsorship monies that they have awarded us.

In His Service,

Rosaria Zito  
Executive Admin
