

To whom it may concern,

As a director of a Christian Camp ministry our needs always exceed our budget.

In 2010 Gospelbiz helped our ministry dollars go farther with Sponsorship Dollars, enabling us to accomplish more with less.

We needed new banquet chairs, Gospelbiz not only helped with the purchase; they went a step further and paid the difference for better quality banquet chairs.

This year Gospelbiz helped us purchase printed products as well as taking my very rough sketch and turning it into a sharp looking logo.

Thank you Gospel Biz!

It is with enthusiasm and appreciation that I encourage you to contact James Sullivan at Gospelbiz and start accomplishing more with less money.
